

**Best-in-Class
Federal Management Consulting**

Chevo Consulting, LLC (**Chevo**), is a Women-Owned Small Business (WOSB) that helps change and evolve federal agencies, their portfolios, and programs through practical implementation of unbiased advice. We are trusted advisors and practitioners in strategic, acquisition, portfolio, program/project, and financial management.

Chevo helps clients anticipate and respond to the changing federal environment, implementing changes to achieve measurable results and strategic outcomes. We are among a select few companies trusted by federal clients to access sensitive information and help them solve problems. When issues keep our clients awake at night, they call on **Chevo's** skilled consultants, proven approaches, and documented past performances to find answers and deliver results. GSA has recognized **Chevo** as a Best-in-Class (BIC) contractor through the award of two OASIS Small Business (SB) prime BIC contracts.
